## Instagram Post Mock-up

This Instagram post captures the essence of the Timeless Elegance concept through a refined and luxurious layout. The design features muted brown tones and a golden perfume bottle, reflecting sophistication and high-end appeal. The clean, minimal typography reinforces the brand's elegance while ensuring clarity on digital platforms. Designed in RGB with a resolution of 72 PPI, this ad is optimized for screen use and perfectly suited to engage the digital audience scrolling through Instagram.

# PRINT DESIGN

## Poster Design Mock-up

The poster design embraces symmetry and a gentle contrast between soft beige tones, drawing attention directly to the perfume bottle. It highlights elegance through simplicity allowing the luxurious glass bottle and refined typography to stand out. The use of Constantia font and a balanced background enhances readability and class. Ideal for in-store displays or public ad spaces, this poster reflects timeless beauty and sophistication, aligning perfectly with the Timeless Elegance concept while being optimized for high-resolution print.

# Thank you!
